15153	GREAT BRITAIN - BOOKLETS		1988 In the first half of 1988, tests were started with various ways of dispensing booklets - this was both electrical and mechanical. For these experiments new test material in the form of booklets was needed and these were produced with labels either with or without an overprint of a bar. These labels were on unwatermarked paper, and with the exception of the overprint when this was used, have no other printing (stampboards.com 30/10/2009). Here we have an empty booklet with 'Electical Machine Dummy Booklet for test purposes only' on the cover, printed in grey ink, with no printers name (unlike other booklets). There may have been 4 x poached egg stamps, there are 3 stamp width strips with a thick black vertical line on each. Rarely seen.	US4	£19.20

27298	ST. HELENA	131-140	1938-49 KGVI: 46 stamps with all printings identified - ideal for the specialist collector. Three sheets (album pages) purchased in the 1950's, were stated by the vendor to be 'The L.N. and M. Williams reference collection.' They have not been altered in any way since purchase. Two tables setting out details of the issues have been identified - the Shelton and Potter table published in 'Stamp Collecting' on 6th April 1951 and a more comprehensive table, source and date unknown. This lists three stamps issued in 1951 (which are not mentioned in the other table) and consequently must be of a later date. It appears therefore to be the Williams table, particularly as it matches closely the stamps. A copy of this table is included. Collection is 3 x ½d, 1 x 1d green, 7 x 1d yellow-orange, 3 x 1½d, 3 x 2d, 1 x 3d ultramarine, 4 x 3d grey, 2 x 4d, 3x 6d, 2 x 8d sage-green, 2 x 8d olive-green, 5 x 1s, 2 x 2/6d, 2 x 5s, 3 x 10s, and one each of the new colours. All hinged on album pages. Superb, fresh condition, possibly unique.		£200.00

29519	BANGLADESH		PROVISIONAL OVERPRINTS ON THE ISSUES OF PAKISTAN 1971-1973: Housed in five substantial dark green 22 ring type albums the extensive and mainly written up collection sets the scene commencing with three leaves mint Pakistan definitive series 1962-1970, followed by mint GOVERNMENT OF BANGLADESH types. LIBERATED BANGLA DESH, BANGLADESH Official Surcharges, Liberation Forces, and onwards devolving into used overprinted series, very substantial collection of covers interspersed from time to time by various types/sections mint handstamped issues etc. Noted varieties, multiples, Regions, the whole backed up by copious quantity apparently all different Post Offices with handstamps, duplicated used ranges, stockbook mint handstamp issues, and more, with main focus upon the definitive series. Extensively written up, a significant amount of study has already been invested in the collection, but there is still much more that may be done by research/study extending/taking the collection further forward. Bangladesh appears to have come of age. Whereas some time ago there appeared to be abundance of availability, these days there is little genuine material on the market. Although we have given this a broad 'rounded' description please request images to do justice to the collection, although with so much present images will almost certainly be representative. Certainly the most valuable most extensive collection Bangladesh we have ever witnessed, historically this feels like the start of a journey. Remarkable (Possibly a low 1,000 or two of stamps/items, too much to count whilst marvelling over) HEAVY/OVERSIZE LOT - OVERSEAS SHIPPING SURCHARGE APPLIES	PH	£7200.00
